FEATURED ARTIST PROPOSAL

Name _____

Address _____

Phone _____

E-Mail _____

The Rowe Gallery of the Greensburg Art Center invites artists, individually and in groups, to submit proposals for exhibition in our gallery. Proposals need to be received at our center no later than April 30 of any year. Accepted proposals will be scheduled for no sooner than the succeeding year. Shows are required to be 6 weeks in length with the exhibitor(s) responsible for the exhibition rental fee, 50% of invitation and mailing costs. Refreshments, tableware (paper products), and decorations are the responsibility of the artist. The kitchen facilities, equipment, and wine glasses may be used at no cost. An artist reception is required. An additional presentation by the artist for the public or the membership is not required, but would be appreciated. A supplemental mailing list compiled by the exhibitor(s) is to be provided to GAC for inclusion in our master list. Installation of the works and labelling are the responsibility of the artist(s). Artist responsibilities may be turned over to GAC for an additional compensation. A commission will be taken from any sales with the understanding that any unpaid obligations will be deducted before commission disbursement. The rental fee is to be paid no later than 1 month prior to the show with the balance due within 2 weeks of completion. To be considered eligible for member discount on rental, at least 1 exhibitor must be a member in good standing for 2 years. A member of the Gallery Committee will act as an facilitator for all aspects of preparation for the show, including invitation design, if desired. Guidelines for invitations will be provided.

Short bio or background
